Re; David Fenton

David is a passionate and committed filmmaker who I had the pleasure to work with over the course of the Southall Ever After Community Arts Festival, August - September 2021. The film he produced documenting the event, shows extraordinary sensitivity to his subjects and acute awareness of the aims of the festival as a celebration of the community of Southall, its complex history, and its diversity. I now consider David to be part of the team and will certainly be looking to him for involvement in any future projects.

Yours sincerely,
